

TOWN OF BLACKSBURG, VIRGINIA
AGREEMENT IN LIEU OF AN EROSION AND SEDIMENT CONTROL PLAN
FOR A SINGLE-FAMILY RESIDENCE IN A SUBDIVISION

I agree to comply with any reasonable requirements deemed necessary by authorized employees of the Planning and Engineering Department of the Town of Blacksburg, Virginia. Requirements shall be based on Chapter 10, Erosion and Sediment Control as stated in the "Code of the Town of Blacksburg, Virginia", 1998, as amended.

Stabilization of all denuded/disturbed areas shall be permanently seeded and protective ground cover suitable for the time of the year shall be within 7 days of final grading. (14 days required after notice to comply is issued).

*(Please note that after receiving notice to comply and a failure to comply still exists after the deadline the Town Of Blacksburg may take legal action for violation of this Ordinance).

Adjacent areas such as stream channels, waters, properties, existing drainage swales, existing stormwater structures, sanitary sewer and water lines and other natural resources shall be checked below as appropriate:

| | | |
|---------------------------|--------------------------|------------------|
| Streams/Channels / / | Drainage Swales / / | Other Waters / / |
| Stormwater Structures / / | Adjoining Properties / / | Sewer/Water / / |

I further understand that my signature below grants appropriate officials of the Town of Blacksburg the right to enter any property for the purpose of inspecting and monitoring the above project for compliance of erosion and sediment control. This agreement shall bind all successors, liens and assigns to the terms of this agreement.
